

Diaper & Towel Cakes

Want to be the “rave review” of the shower? Need to make a lasting impression with a corporate associate? Our beautiful yet useful custom cakes will do just that! Our cakes are a unique alternative to a traditional centerpiece at the head table or as an extra special gift to the “New Mommy” or “Bride to Be”.

Diaper cakes are assembled with high quality brand name baby diapers and items, such as rattles, bath products, blankets, layette items and more. Towel cakes are designed using premium quality towels and beautiful enhancements for that lovely bridal feeling. All cakes are created after a brief consultation with you. We like to match the themes and color schemes to the baby’s gender, nursery design or the Bride’s wedding party colors when possible.

Diaper and Towel cakes are custom made and based on the theme, characters or colors you choose. They are shown here for reference only. Each piece is created individually and no two are exactly the same.
